International Women's Month

Lebowa Funerals celebrated all the women across the world.

On **8th March**, Beautiful and Courageous Women across the World Celebrated International Women's Day.

This month the spotlight is on those who fought for democracy in **South Africa**. The **21st of March** is a reminder to South Africans to continue proclaiming their **Human Rights** in and around their surroundings.

The **Marketing Team** went all out on a massive brand awareness in **Gauteng** with the aim of reaching out to all our existing and potential clients, for the purpose of convenience and accessibility.
